Same Subject

Dave -

1. Thank you for reference. We do not intend at this point to issue any statement with regard to drug testing. After a conversation with the EDCI and DCI, it was decided that the polygraph is our drug testing program for on-board employees. Applicants will continue to be drug tested. This program began in January 1986.

2. If you believe we are doing something wrong here, let me know.
